

APPLICATION FOR NORTH DAKOTA CUSTOM COMBINE PERMITS

NORTH DAKOTA HIGHWAY PATROL

SFN 2835 (1/06)

Section 39-04-18 of the North Dakota Century Code authorizes nonresidents engaged in harvest of agricultural products to obtain Custom Combine Permits. The fee is \$50 per vehicle and is valid from June 1 through December 31. Accompanying vehicles such as passenger vehicles, pickup trucks, and motor homes are subject to a minimum 90-day temporary registration.

VEHICLE INFORMATION

Year	Make	License Number	Serial Number	Gross Weight	Fee*

*The fee for accompanying vehicles is based on the year and gross weight of the vehicle. Pickup trucks are normally registered for 10,001 pounds gross weight. The fee for 90 days would be as follows:

2006 - 2001 model -- \$35

1997 - 1995 model -- \$27

2000 - 1998 model -- \$30

1994 and older model -- \$22

To determine the fee for other accompanying vehicles, telephone 701-328-2621. If an above vehicle is subject to the \$15 fuel permit, as per instructions on the reverse side of this form, include the \$15 in the fee column.

All checks must be payable to the North Dakota Highway Patrol. Applications must be sent to the North Dakota Highway Patrol, Motor Carrier Operations, 600 E Boulevard Ave. Dept. 504, Bismarck, ND 58505-0240.

Custom combine permits, temporary registration, and fuel permits are available for purchase online at www.state.nd.us/ndhp.

North Dakota Custom Combine General Information

Nonresidents engaged in harvest of agricultural products in North Dakota are subject to state statutes regarding registration, vehicle size and weight, fuel tax, and oversize permit requirements.

The fee for the custom combine permit is \$50 per vehicle and is valid from June 1 through December 31. The custom combine permit is in lieu of other registration requirements.

- A. All accompanying vehicles must also be registered. The temporary registrations will be for a minimum 90-day period.
 - 1. Accompanying vehicles include passenger vehicles, pickup trucks, and motor homes.
- B. If a valid custom combine permit or temporary registration is in possession, the vehicle is also exempted from obtaining overwidth and overheight permits.
- C. If a custom combiner has an IRP cab card with North Dakota listed, oversize permits **would be** required unless the carrier purchases the custom combine permit.
- D. Nonresident custom combiners traveling through North Dakota who do not have custom combine permits are subject to trip permits, fuel permits, and oversize permits.
 - 1. The 72-hour trip permit is \$20 and is valid for 72 hours.
 - 2. Operators of motor vehicles with two (2) axles and a weight exceeding 26,000 pounds, motor vehicles with three (3) axles or more regardless of weight, and combinations of vehicles exceeding 26,000 pounds gross vehicle weight who run into or through North Dakota are subject to the \$15 fuel permit if they do not have an International Fuel Tax Agreement (IFTA) cab card in possession. The permit is valid for one trip not to exceed 72 hours. Custom combiners do not have to purchase more than one fuel permit unless they leave the state and come back again.
 - 3. Oversize permits must be obtained prior to entering North Dakota. Permits may be ordered by telephoning 701-328-2621.
- E. If a header trailer or other vehicle is pulled behind a gooseneck or fifth wheel combine trailer, the first trailer **must** be equipped with brakes and the second trailer **must** be equipped with safety chains. If the first trailer is of a bumper hitch design, the trailer must be equipped with brakes **and** safety chains. If the gross weight of the second trailer exceeds 3,000 pounds, then brakes are also required. The brakes must be so designed as to be applied by the driver of the truck from the cab. The brakes must be so designed and connected that in case of an accidental breakaway, the brakes will be automatically applied on the trailer that breaks loose. The overall length may not exceed 75 feet. The maximum length that a trailer or semitrailer can be is 53 feet. Two combines can be hauled on a trailer or semitrailer provided the length including the load does not exceed 60 feet. An oversize permit would be required.

Drivers License Information: A 16-year old can obtain a restricted CDL. For information, telephone 701-328-2601.
